### Graphics & Motion Design Intern

2017- Present // Colorado State University // Fort Collins, Colorado

As a design intern at Colorado State University's in-house creative agency, I utilized a variety of skillsets such as graphic, interactive, motion, and illustration while working in a team based environment.

### Editorial Designer

2015-2016 // Colorado Water Institute // Fort Collins, Colorado

Creative Lead Intern responsible for design and managing of bimonthly newsletter. Additionally, I provided skill and expertise in photo retouching, print design, and layout design.

### Web Designer

2014-2014 // Coldwell Banker Realtors // Durango, Colorado

As an Intern, my responsibilities included utilization of graphic design, HDR photography, photo editing, and website design. I also aided in the photography of different homes for sale, utilizing wide angle photography and HDR photo compositing.

### Specialist

2013-2014 // Apple // Broomfield, Colorado

As a specialist, my position consisted of creating excitement around Apple products, solutions and services. Additionally, I was responsible for overseeing and leading workshops, building customer relationships, and building extensive knowledge of Apple technology.
